
LAKER PIONEER

Dear Senior Parent,

This is a special year for you and your graduate. You should be proud of your child's accomplishments and the hard work they have invested for the last 13 years.

As part of our recognition of Orono High School youth, we will be publishing a senior graduation keepsake section, filled with senior photos.

The section will be available in The Laker Pioneer in May 2021, see attached for special advertising option.

Thank you and congratulations!
